SCHOLARSHIPS AND BURSARIES

ACADEMIC SCHOLARSHIPS ENTRY AT 11+

The Year 7 entrance examination identifies potential academic scholars. All prospective pupils are automatically considered and no separate application is required.

The Head will invite high performers to an interview. If successful, scholars receive their award for the duration of their education, provided they continue good academic performance, progress and conduct.

ENTRY TO OTHER YEAR GROUPS

All applicants, regardless of entry point, are considered for an academic scholarship following their entrance assessment and interview with the Head. Those that perform to a very high standard may receive a scholarship for the duration of their education, subject to continued good academic performance, progress and conduct.

NON-ACADEMIC SCHOLARSHIPS AT 11+ AND 16+

WHO SHOULD APPLY?

Scholarships are also available in sports, music, art and drama. These scholarships are for candidates who have achieved a high standard in these areas and who demonstrate potential to excel. Please visit www.collegiate.org.uk/applying-to-collegiate for further information on the criteria required for each of these subjects.

WHAT IS THE PROCESS FOR SELECTION?

In addition to your completed registration form and fee, you will need to submit a scholarship application form. The admissions team will send you the relevant scholarship application form once your registration form and fee has been received.

For Year 7 entry, assessments for non-academic subject scholarships take place in January, usually on the same day as the entrance assessments. Assessments for other year groups will happen on an individual basis.

AWARDS

Scholarship awards are typically between 5 and 15% of tuition fees. All award holders are expected to work hard and to be fully involved in the life of the school.

FINANCE

THE CURRENT SCHOOL FEES ARE:

Senior School £6,075 per term

Catering charge £330 per term

The catering charge covers lunch, team teas, meals associated and extra-curricular activities.

There are some other miscellaneous charges and these are detailed on the Fee Schedule.

OTHER CHARGES MADE IN ARREARS

Learning support is available in the Senior School. Charges are made on an individual basis and parents will be advised separately.

BURSARIES

The Governors of Collegiate are committed to broadening access to the school. At the point of entry into the Senior School, parents may apply for means-tested financial support in the form of a bursary. The school is fortunate to receive support from the Hilborne Foundation, the Roger Newport Foundation and the Old Colstonian Charitable Trust, among others, to facilitate this.

Prospective parents wishing to apply for a bursary must indicate this on their registration form and complete the bursary application form. All bursary applicants pay a £50 administration charge, in addition to the registration fee, and complete a statement of financial circumstances. The school uses an external bursary consultant to help facilitate the application process.

Parents who have any queries about scholarships and bursaries should contact the finance office on 0117 965 3376.

SCHOOL TRANSPORT

The school provides a number of bus services for pupils with five routes operated by Eagle and EuroCoaches, running mornings and afternoons.

The routes available are:

- Thornbury / Almondsbury / Bradley Stoke / Stoke Park
- Stoke Bishop / Westbury-on-Trym / Henleaze / Redland / Bishopston
- Chipping Sodbury / Yate / Winterbourne / Coalpit Heath / Hambrook / Frenchay
- Lyde Green / Emersons Green / Downend / Fishponds
- The school also operates their own South Bristol Minibus service covering Long Ashton, Bishopsworth, Winterstoke Road and Hotwells.

[View our bus routes and maps on our website](#)

Pupils are required to purchase a bus pass, which is charged to termly invoices. The price depends on the zone in which your required bus stop is located.

If you have any questions regarding the School Bus Service, please contact the school by emailing schooltransport@collegiate.org.uk or calling 0117 965 5207.

ISI INSPECTION APRIL 2024

Collegiate School successfully achieved all the required standards and regulations during our recent ISI Inspection.

The report stated that "The school is a diverse community which celebrates difference" and "The emphasis on respecting and valuing all pupils is communicated clearly, meaning that respect is embedded in school life".

Head, Mr Jeremy McCullough, said: "We are delighted with the glowing report that we have received from ISI. The full report reflects enormously positively on the students, staff, parents and governors who work so hard together to make this school such a thriving, successful and happy community."
